It is a dynamic desk with variable length. The storage solutions that the Kenn Desk has to offer are specifically designed in order to cover every need as well as to gain the extra feature of variable length and position of drawers and cupboards. Kenn Desk features different pieces that can be re arranged any time you wish and depending on your needs.

KENN DESK

Kenn Desk features a cabinet, a drawer unit, documents shelf and everything a modern desk needs.

Kenn Desk features different pieces that can be re arranged any time you wish and depending on your needs.

Lipa squar green & Lipa round black

Lipa 圓形邊桌採取了一個簡潔而直覺式的工法，桌面與桌腳一體成型，並非由兩塊鐵片焊接而成。製作方式以雷射切割方式切下外緣輪廓，透過與鋼鐵工廠師傅不斷的測試與打樣，成功將鐵片彎曲成九十度，宛如雕塑品一般，Lipa 可隨心所欲調整擺放的方向，砂質的觸感與簡約低調，外觀不見任何焊接的痕跡，傳遞極簡工藝的設計美感。

LIPA
